

RENIGGING BY TEDDY FOR NEGROES

President Roosevelt Has Issued
a Strong Reply

HOTTEST FROM NEW YORK

Secretary of War Taft Has Directed
the Proceedings for Discharging
the Negroes Be Continued Without
Delay.

New York, Nov. 22.—A cable dispatch from President Roosevelt directing the suspension of his order discharging the negro troops of the Twenty-first regiment unless the facts as shown to him are shown to be false, expressing his willingness to hear the facts bearing upon the case, has been made public by Gilchrist Stewart of the Constitutional league.

Stewart cabled Roosevelt at Panama, as follows:

"Republican county committee demands discharge of colored soldiers. Parson, Olcott, Ben. committee, petitioning department. Newspapers emphatic. Demands and new facts warrant immediate suspension of order."

The president's reply contained the following:

"Unless facts as shown to me are shown to be false, the order will stand. No circumstances be revoked, and I will not for one moment consider suspending it on a simple allegation that there are new facts until these facts are laid before me. Inform persons having new facts to have them in shape to lay before me at my desk, and I will then consider whether or not any further action by me is called for."

"Theodore Roosevelt."

The president's view is that the negro soldiers, in refusing information necessary to the apprehension of the men who committed criminal acts at Brownsville, Tex., struck at the very heart of military justice and discipline. Had the white troops done the same thing, they would have suffered the same penalty.

Washington, Nov. 22.—The war department issued the following statement Wednesday concerning the negro troops ordered dismissed at San Reno:

"In the matter of the order discharging the enlisted men of three companies of the Twenty-fifth infantry issued by the president, application was presented to the secretary of war by a number of persons of standing asking for a rehearing by the president of the ground on which the action was taken. The secretary telegraphed the president of the application and delayed the proceedings until the discharge until the president indicated his wishes. The secretary was in the meantime called out of town. No answer was received from the president. The secretary on his return did not feel justified in further delaying the execution of the order of discharge, especially in view of the fact that the president had fully and exhaustively considered the argument against the order of the persons who now applied for a rehearing. Accordingly, the secretary directed yesterday (Tuesday) that the proceedings for discharging the negroes be continued without delay."

Was Murdered for Money.

San Francisco, S. C., Nov. 22.—Mrs. Tinsley, an aged white woman, was found at her home near Gaffney, with her throat cut, and it is believed she was murdered for her money. It was known that she had a large sum in the house, though when it was searched none was found. Tom Harris, a white man, has been arrested on suspicion.

Roosevelt Lands at Ponce.

Ponce, P. R., Nov. 22.—President Roosevelt arrived here Wednesday morning from Colon and was received by landing at 8:50 a. m. by Gov. Woodrow and the other prominent island officials. The town, which was joyously decorated in the president's honor, was crowded with people from the surrounding country eager to greet Mr. Roosevelt.

There is No Reason

Why your baby should be thin, and emaciated during the night. Worms are the cause of this, sickly babies. It is natural that a healthy baby should be fat and sleep well. If your baby does not sleep well, don't experiment with cold baths and other medicine. Give your baby a bottle of White's Cream. You will soon see your baby happy and laugh as it should. Sold by W. M. Johnson.

Are You Tired, Nervous and Sleepless?

Nervousness and sleeplessness are usually due to the fact that the nerves are not fed on properly nourishing blood; they are starved nerves. Dr. Pierce's Golden Medical Discovery makes pure, rich blood, and thereby the nerves are properly nourished and all the organs of the body are run as smoothly as machinery which runs in oil. In this way you feel clean, strong and strenuous—you are toned up and invigorated, and you are good for a whole lot of physical or mental work. Best of all, the strength and increase in vitality and health are lasting.

The trouble with most tonics and medicines which have a large, booming sale for a short time, is that they are largely composed of alcohol holding the drugs in solution. This alcohol shrinks up the red blood corpuscles, and in the long run greatly injures the system. One may feel exhilarated and better for the time being, yet in the end weakened and with vitality decreased. Dr. Pierce's Golden Medical Discovery contains no alcohol. Every bottle of it bears upon its wrapper *The Badge of Honesty*, in a full list of all its several ingredients. For the druggist to offer you something he claims is "just as good" is to insult your intelligence.

Every ingredient entering into the world-famed "Golden Medical Discovery" has the unanimous approval and endorsement of the leading medical authorities of all the several schools of practice. No other medicine sold through druggists for like purposes has any such endorsement.

The "Golden Medical Discovery" not only produces all the good effects to be obtained from the use of Golden Seal root, in all stomach, liver and bowel troubles, as in dyspepsia, biliousness, constipation, ulceration of stomach and bowels and kindred ailments, but the Golden Seal root used in its compounding is greatly enhanced in its curative action by other ingredients such as Stone root, Black Cherrybark, Bloodroot, Mandrake root and chemically pure triple-refined glycerine.

Interest in Trial Increases.

Herkimer, N. Y., Nov. 22.—Interest in the trial of Chester Gillette, who is charged with the murder of Miss Grace Brown, increases as the testimony in this sad love romance develops. A great throng filled the court room and listened to the pathetic letters the girl wrote Gillette for three months previous to her death. In them the factory girl "Bill" Brown, as Gillette affectionately called her, laid her soul bare and ended with pitiful pleadings to her recreant lover to come and keep his promise that he would wed her. There was not a man or woman in the court room who heard the sad recital and remained unmoved. The prisoner himself wept for the first time in his trial, showing emotion.

Thaw Prepares For Trial.

New York, Nov. 22.—Harry K. Thaw had a long conference with Lawyers Delmar, Gleason and Peabody Tuesday in preparation for his trial, which is expected to begin on Dec. 3. He was subjected to a searching examination by Delmar on new phases of the case developed by detectives. Mrs. Evelyn Nesbit Thaw was in a cheerful mood after the interview with her husband at his cell door and said: "My husband can hardly wait for his trial day. The last thing he said to me was 'I'll be home Christmas.' I know he will be free by that time unless there is something happens to delay the trial."

No Case of Pneumonia on Record.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause consumption, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. J. W. McCollum & Co.

Case Sent to Supreme Court.

New York, Nov. 23.—Developments in court Wednesday make it almost certain that Harry K. Thaw will not be tried for the shooting of Stanford White on Dec. 3, the day recently fixed. On the motion of District Attorney Jerome, the case was sent to the supreme court by Justice Greenbaum, who is sitting in the criminal branch. It has been originally planned to try the Thaw case before Recorder Goff, in general sessions. The change in program is the result of opposition of Clifford W. Harbridge, of counsel for Thaw, to the district attorney's application for a special panel of 150 takersmen from which to select the jury.

MOVE TO BAR TILLMAN.

An Attempt Made to Prevent Senator
Speaking in Chicago.

Chicago, Nov. 22.—Protest against the delivery of an address in Chicago by Senator Benjamin Tillman was made to Mayor Dunne by a delegation of negroes. Dr. A. J. Carey, pastor of Bethesda church, was the spokesman of the party and he declared that Senator Tillman's speech would destroy the harmony now existing in this city among the negroes.

Mayor Dunne asked the committee of data of several speeches said to have been delivered by Senator Benjamin Tillman, and he will hold a conference with the people interested in the Chicago Union hospital, who were instrumental in bringing the senator to this city.

The funds to be derived from the lecture of the senator are to go to the hospital.

The mayor would not discuss the matter today or intimate what action he would take, if any.

"I will only say," he said, "that a man who justifies lynching cannot be a consistent believer in law."

G. B. Burhans Testifies After Four Years

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease have disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to anyone suffering from kidney or bladder trouble." J. W. McCollum & Co.

She Killed Him; Jury Justifies.

Valdosta, Ga., Nov. 22.—Coroner Finley, has just returned from the town of Edith, Ga., having been called there to hold an inquest over Ruth Bradley, a prominent logging contractor, formerly of Appling county, Ga., who was killed by his wife. Evidence showed he was drinking and beating his wife. He tried to shoot her when she got hold of the weapon and fired, the bullet passing entirely through his body and causing instant death. Her testimony was that he had mistreated her for 12 years and her body and face showed bruised spots which she said he inflicted. The coroner's jury declared the killing was justifiable. The couple have three children.

Negroes Held This Murderer.

Dublin, Ga., Nov. 22.—Tuesday morning Will Horn was placed in jail on the charge of killing Jerry Roberts. Horn was arrested by the negro mill hands at work for B. M. Grier, 3 miles west of Dublin, and was held until Sheriff Prince reached the scene of the killing. He would not surrender until he had been slightly wounded by one of the negroes. Horn killed Roberts by cutting an artery in his leg. It is alleged that the killing was not justifiable. Both negroes were mill employees. Sheriff Prince made a short speech to the negroes, commending them for endeavoring to uphold the law and order by arresting Horn.

Slayer Held Without Bail.

Atlanta, Nov. 22.—Will Smith, the negro who struck Henry Williams, another negro, a death blow with an ax last Monday night at 23 Dora street, was arraigned in the recorder's court Tuesday. The difficulty occurred at 4 o'clock Monday afternoon and Williams died at the Grady hospital Tuesday. There was no witness who could tell what the fight was about and the defendant declined to make a statement. He was held for murder without bail. Geo. Evans, the nephew of the dead man, was tried for chasing Smith, after the fight, and cutting him with a knife. Evans was held for stabbing in a \$100 bond.
